Patricia Haddad – NICRP/PCANV

Terri Miller - SEASAME

Jill Tolles –Original Task Force Member

Rachell Ekroos - CFNEI

1. Elect Subgroup Facilitator:

- a. This position is still open. Send an email to csaptaskforce@unlv.edu if you are interested or have any questions.

2. Meeting Tasks Update

- a. Require medical professionals to have continued training in recognizing signs of child sexual abuse.
 - i. Jill Tolles has volunteered to research how child sexual abuse prevention curriculum can be introduced and mandated as part of Medical Professional CMUs, and what would be required for implementation. Findings will be reported at the next Task Force Meeting.

1. 3/7/16 Update:

- a. **Jill has reached out to Assemblywoman Joiner; she is interested in sponsoring the BDR.**
 - b. **She was advised that there could be some potential pushback if the bill requires that *all* physicians are mandated to take these CMU. Language from other states indicate Nurse Practitioners and Pediatricians are required to do the continuing ed. We could also consider some combination of requiring the CMU's for some while making sure the option is open for all.**
 - c. **This bill would also necessitate that training is guaranteed to be offered.**
 - d. **The medical board does not set courses, this is the role of NRS.**
- b. PCANV will research child sexual abuse prevention legislation in other states as a comparison for NV.
 - i. Prevention legislation in other states has been collected and attached for task force members to review
 - c. "Pass the Trash" Legislation mentioned by Terri Miller (SESAME)– potentially adapt for NV
 - i. Information regarding the SESAME bill and implementation in other states can be found under the Other Recommendations resources on the Task Force website found here: <http://nic.unlv.edu/pcan/CSATaskForce2.html>
