Statewide Task Force on the Prevention of Sexual Abuse of Children

During the 77th (2013) Legislative Session, Governor Brian Sandoval signed Senate Bill 258 (NRS 432B.700-730) which created the Task Force on the Prevention of Sexual Abuse of Children.

Even though the task force is no longer legislatively mandated, we need to continue to work to prevent child sexual abuse in Nevada and will continue to meet. Prevent Child Abuse Nevada has offered to assist by coordinating meetings and by providing administrative support. This meeting is open to anyone who is interested assisting in the groups efforts to prevent child sexual abuse. The meeting details are provided below.
